All ingredients are carefully selected

All of our ingredients are carefully selected, and where possible, we include local producers as our partners.

We prepare our dishes on a traditional way

We prepare dishes "under the lid" - which is our greatest source of pride, in the same traditional way as our grandmothers.

We preserve heritage and tradition

With the ambience of the restaurant and tavern, the selection of wines, and the preparation of food and desserts, we are preserving our heritage and tradition, perfectly fusing them for the best dining experience.
